

# Large Cap Growth Managed Account

## Management Team

Aziz V. Hamzaogullari, CFA

## Objective

Seeks to produce long-term, excess returns vs. the Russell 1000<sup>®</sup>

Growth Index on a risk-adjusted basis over a full market cycle (at least 5 years) through bottom-up stock selection

## Facts

Composite inception	7/1/06
Strategy assets	\$77,212.8M

## Highlights

- Active management with a long-term, private equity approach to investing
- High active share: typically greater than 80%\*
- Low turnover: 11.9% annualized since inception 7/1/2006
- Seven-step research framework focuses on quality, growth and valuation
- High-conviction portfolio of typically 30 to 40 stocks
- Looks to identify high-quality companies—those with difficult-to-replicate business models
- Team must view growth as sustainable and profitable
- Stock values are modeled and regularly updated based on our four valuation scenarios: Best, Base, Bear and Worst
- Seeks to create a margin of safety by investing only when company is selling meaningfully below the team's estimate of intrinsic value
- Active risk management defines risk as a permanent loss of capital, not tracking error or short-term relative underperformance
- Bottom-up stock selection drives excess returns

## Benchmark

\*Active share indicates the proportion of the portfolio's holdings (by market value) that are different than the benchmark. A higher active share indicates a larger difference between the benchmark and the portfolio.

<sup>2</sup>The portfolio manager for the Large Cap Growth Managed Account Composite joined Loomis Sayles May 19, 2010, and performance prior to that date was achieved at his prior firm.

Loomis, Sayles & Company, L.P. ("Loomis Sayles") is an independent advisory firm registered under the Investment Advisors Act of 1940. For additional information on this and other Loomis Sayles strategies, please visit our website at [www.loomissayles.com](http://www.loomissayles.com).

<sup>1</sup>Composite inception: 7/1/2006

\*\*Pure gross returns are presented as supplemental information.

The Large Cap Growth Managed Account Composite's returns were calculated on a total return basis, and assume the reinvestment of dividends, capital gains and other earnings. For periods after November 1, 2020, 100% of the accounts are Managed/Bundled fee accounts which do not reflect the deduction of any trading costs, fees, commissions or expenses. Prior to November 1, 2020, 0.00% of the accounts are Managed/Bundled fee accounts which reflect the deduction of transaction costs because performance is from the Large Cap Growth Institutional Composite. Net of total wrap fee results reflect the deduction of an annual fee of 3.00%, the highest applicable fee for a managed account. This managed account fee includes all charges for trading costs, portfolio management, custody and other administrative fees.

Loomis, Sayles & Co., L.P. (“Loomis Sayles”) acts as a discretionary investment manager or non-discretionary model provider in a variety of separately managed account or wrap fee programs (each, an “SMA Program”) sponsored by a third party investment adviser, broker-dealer or other financial services firm (a “Sponsor”). When acting as a discretionary investment manager, Loomis Sayles is responsible for implementing trades in SMA Program accounts. When acting as a non-discretionary model provider, Loomis Sayles’ responsibility is limited to providing non-discretionary investment recommendations (in the form of a model portfolio) to the SMA Program Sponsor or overlay manager, and the Sponsor or overlay manager may utilize such recommendations in connection with its management of its clients’ SMA Program accounts. In such “model-based” SMA Programs (“Model-Based Programs”), it is the Sponsor or overlay manager, and not Loomis Sayles, which serves as the investment manager to, and has trade implementation responsibility for, the Model-Based Program accounts, and may customize each client account according to the reasonable restrictions or customization that a client may request.

**KEY RISKS:** Equity Risk, Market Risk, Non-US Securities Risk, Liquidity Risk. Investing involves risk including possible loss of principal.

**There is no guarantee that the investment objective will be realized or that the strategy will generate positive or excess return.**

Characteristics are shown for a representative account. Due to systems limitations, it is difficult to analyze characteristics on a composite basis. The representative account was selected because it closely reflects the Loomis Sayles Large Cap Growth Managed Account investment strategy. Due to guideline restrictions and other factors, there is some dispersion between the returns of this account and other accounts in the Loomis Sayles Large Cap Growth Managed Account Composite.

Due to rounding, **Market Capitalization** and **Sector Distribution** totals may not equal 100%. This portfolio is actively managed and characteristics are subject to change. **Top 10 Holdings** may combine more than one security from the same issuer and related depositary receipts. Portfolio weight calculations include accrued interest. Holdings are based on total gross assets before any fees are paid; any cash held is included. Reference to specific securities or holdings should not be considered recommendations for action by investors. There is no guarantee the account continues to invest in the securities referenced. **Cash** may include unsettled trades, fees and/or derivatives. **Median Active Share (since inception)** indicates the proportion of the portfolio’s holdings (by market value) that is different than the benchmark. A higher active share indicates a larger difference between the benchmark and the portfolio.
